What's New In 2010?

We've now been in our new Winery Home for two months. It's been a real adjustment, going from a small 500 square foot tasting room in the back of the house, using a laptop computer for our sales and having our Wine Club friends sit in our backyard to an 18,000 square foot facility situated on over 2 acres. The place is quickly coming to life. If you haven't been out lately, you'll see that we've added some plants, shrubs and ground cover to the areas around the winery. We'll soon begin to add in some additional outdoor tables, as we get closer to Springtime

Wine Club News

We've made some exciting changes to our Wine Club. We're doing our best to give each of our Club Members a great value. Beginning in January, all Reserve Club Members (monthly club) will receive the following:

- A special Wine Package each month consisting of 2+ bottles of wine,
- Complimentary Wine Tasting for you and up to three guests at the Winery
- Discounts on current vintage wines of 20%
- Priority Reservations and Member Discounts for Events such as our annual Barrel Tasting, Music In the Vineyards & Grape Stomp Harvest Festival
- **Quarterly Wine Club Party - Members Only**

Members Only - Let's Party!

Every quarter Hannah Nicole Vineyards will host a Wine Club Pick Up Party! We'll give you plenty of advance notice, so if you'd rather not have your wine shipped that month, you can pick it up instead. Each Membership entitles you to two admissions. Please do not bring your friends to this event, unless they have already joined. You must be a member to attend! Each event will include:

Light Hors D'Oeuvres
Music or Entertainment
First Glass of Wine is Complimentary

Event Dates will be announced soon with Events to be held in February, May, August & November. Look for more information on our Website under Our Events

SF Chronicle Wine Competition

We are always proud of our achievements. The Judges in this year Competition found us worthy of 10 Awards on our newest vintage wines. Nine of these ten wines had never been entered in a competition. You might be having a moment of de ja vu, because we also won 10 Awards in the 2009 Competition. If you haven't had an opportunity to taste our newest vintage wines, stop by the tasting room soon!

Cheers!
